## MAXIMUM SOLUTION

 ORDERMAN®

### ORDERMAN® MAX

Sunny Boy MAX steals the show:  
high contrast, bright and excellent  
clarity even in direct sunlight!

# LIVING UP

## MAX ACTUALLY STANDS FOR MAXIMUM

What is behind a name? There is no concealing the technology behind this specialist.

Nor the professionalism gleaned from decades working in the toughest conditions all over the world. You can really feel it.

That is what makes MAX so attractive to everybody who would like to get to know him better. The elegant bars, seductive ice cream parlours, promising patisseries, classy restaurants, charming pubs, racy ski chalets: they all love MAX. And no wonder:

### MAXIMUM LEGIBILITY

Beautiful display that outshines all others.

- Infinitely-variable backlighting
- Sunlight-compatible display works everywhere: indoors and outside!

### MAXIMUM EASE OF OPERATION

MAX has the perfect touch!

- The display on your MAX is matched precisely to your business: the most popular food and drinks have their own key.
- As a result most orders can be registered with a single touch!
- With the integrated fax function special orders take no more than a smile – and a quick note with the ORDERMAN® touch pen.

# TO A NAME

## MAXIMUM DESIGN

Just close your eyes and let your fingertips do the talking!

- Ergonomic
- Extremely lightweight

## MAXIMUM QUALITY OF SERVICE

MAX puts your customers first. And makes sure they stay there without you having to interrupt communication while settling the bill.

- MAX works with everybody, now and in future:  
RFID with ISO standard, LEGIC, magnetic and chip cards
- Bluetooth link to belt printer is already installed as standard

## MAXIMUM PRINTER SOLUTION

Rapid-fire printing from the hip without having to abandon your customers.

MAX-style:

- up to 1,500 bills with a single battery charge!
- Full speed: smile ... and the bill is already printed.
- Including your own logo and design on the invoice.
- And the belt printer itself: compact, lightweight, cool.

## MAXIMUM TOUGHNESS

MAX is a real tough guy. The MAX display has been developed by ORDERMAN® together with the display manufacturer especially for use in hospitality – both indoors and outdoors.

The results are unbeatable:

- Extremely rugged display
- Waterproof and
- Extremely impact-resistant

## MAXIMUM SAFETY AND POWER PACKAGE

With MAX you really are on to a good thing:

- Unsurpassable signal quality from the kitchen out into the garden.
- Completely unsusceptible to interference:  
Guaranteed permanently on-line!
- Hacker-safe
- Unlimited power reserves: up to 18 hours between charges!
